## **Musical Behaviour and Experience SEMPRE student conference**

University of Sheffield

SEMPRE will be running a one day student conference hosted by the Department of Music, University of Sheffield on Friday 19<sup>th</sup> October 2007. It precedes the SEMPRE conference on 'Musical Participation' to be held on Saturday 20<sup>th</sup> October and students are warmly invited to join both events, which will take place in the Humanities Research Institute ([www.sheffield.ac.uk/hri](http://www.sheffield.ac.uk/hri)).

The aim of the student conference is to provide opportunities to present and discuss ideas in a friendly and supportive environment, as well as to create a meeting place for students from different institutions. The conference will include spoken presentations (20 minutes each), a poster display, and open discussions about research in music education and music psychology.

### **Call for papers**

We welcome submissions from all students, part time and full time, broadly related to the title of the conference. Accepted submissions will be broadly organised into themes and presentations will be chaired by an invited academic.

Please send abstracts for spoken presentations (200 words) and for posters to Ally Daubney ([a.daubney@roehampton.ac.uk](mailto:a.daubney@roehampton.ac.uk)) by 1<sup>st</sup> August 2007.

Registration forms can be downloaded from the SEMPRE website.
